

Atrium Management Company Ranks as Top Business on the 2017 Inc. 5000 List

The New York based *Inc. Magazine* released its 2017 “Inc5000” rankings, recognizing Central Florida’s Atrium Management Company among the fastest-growing businesses in America. Atrium was also recognized as the 45th fastest-growing company in Orlando and the 281st fastest-growing company in Florida. The company has seen 475% growth in the past 3 years. This is the first time Atrium has made the publication’s list.

Inc. focuses on business and entrepreneurial growth, and publishes annual lists of the top 5000 fastest-growing companies. Companies are ranked according to percentage revenue growth over a three-year period.

“It’s an honor to make the 2017 Inc. 5000 list, as it shows we’re moving in the right direction,” said Adam Wonus, Partner at Atrium Management Company. “We’re looking to use this momentum to continue our grow and better serve property owners throughout Central Florida.”

Atrium, which currently manages over 750 properties within the central Florida region, has been providing professional leasing management services for over 20 years. The company is a premier, full-service provider for property owners and tenants, offering property marketing, tenant screening processes, lease preparation, regular property inspections, 1099 reporting, and ’round-the-clock maintenance service.
